

## About Us

Who we are:

ACRODYNE® is a leading Industrial Equipment Manufacturing Representative, specializing in bulk material handling and process equipment throughout the Rocky Mountain Region.

We can be your direct source for heavy industrial equipment requirements, including equipment that provides: heating, cooling, cleaning, crushing, screening, drying, conveying, feeding, separating, vacuuming, storing, water treating and more!

Our Team:

Matt Rawley - Principal

mrawley@acrodyne.net

As a Principal of Acrodyne, Inc., Matt has more than 20 years of sales experience at the local, regional and national levels. Dynamic, outgoing and committed are traits that describe his sales approach. Matt enjoys following all sales orders through the entire process to ensure complete customer satisfaction. Matt has ultimate oversight of all of Acrodyne's Rocky Mountain Region sales territories.

Matt is a dedicated family man and enjoys road cycling, skiing and any outdoor sports. He and his wife, Susan, have a son, Ian and a daughter, Michaela.

Eric Montag - Principal

emontag@acrodyne.net

A Principal of Acrodyne, Inc., Eric has nearly two decades of strategy, finance and operations experience and is known for building and developing successful teams, seeking tough challenges and growing companies. He brings a strategic mindset, innovative thinking, enthusiastic passion and a results-based orientation to Acrodyne's business operations.

Eric's interests include youth organizations in the Denver area - from donating his time and energy to multiple teams as a hockey coach, to serving on the Board of Directors for a local girls lacrosse organization. Eric is also passionate about sailing, mountain biking, skiing and tennis. He and his wife, Susan, actively support their two sons and one daughter as they participate in a variety of sports and other activities.

Al Peterson - Territory Account Manager

apeterson@acrodyne.net

Al Peterson has worked in industrial sales as a Manufacturers Representative for more than 25 years, consulting with the mining, engineering, oil/gas/refining, power and manufacturing industries with an emphasis on process equipment and material handling. Al's sales territory primarily includes Wyoming and a significant portion of Colorado.

A former part owner of Acrodyne, Al has a broad technical background and enjoys skiing, backpacking, hiking and spending time with his new granddaughter. Al has been a mountain guide since 1964 and taught skiing and coached soccer for many years.

Jim Mitchell - Territory Account Manager

[jmitchell@acrodyne.net](mailto:jmitchell@acrodyne.net)

Jim Mitchell brings more than two decades of experience as an engineer to Acrodyne's customers and manufacturers. Prior to joining Acrodyne, Jim promoted integrated bulk powder material handling systems to corporate customers in a wide variety of industries. Jim has also worked for several years as an analysis engineer, optimizing designs of material handling equipment and has managed capital improvement projects for production facilities throughout the western US. Jim is based in Boise, Idaho and his territory includes the states of Utah, Idaho and Montana.

Juli Faller - Office Manager & Inside Sales

[sales@acrodyne.net](mailto:sales@acrodyne.net)

Juli is a native of Colorado and graduate of the University of Colorado. She brings to the team years of experience in office management and customer relations. Juli is a highly organized individual who advocates efficiency. In addition to managing Acrodyne's corporate headquarters, Juli also coordinates the Company's inside sales function.

After retiring as the executive director of a small chamber of commerce Juli spent time raising two fabulous girls, running a bookkeeping business from her home, and volunteering at the kids's school. Juli loves the outdoors: biking, skiing, hiking etc.
